

## 5: Haga clic Finish

6

**7:** Entre el STUDENT CODE (codigo del estudiante) y elija la relacion al estudiante en el menu. Haga clic DONE cuando complete esta porcion.

The screenshot shows a software application window titled 'Otus'. In the top right corner, there is a user profile section with the name 'JOHN SMITH' and a 'LOGOUT | PROFILE' link. Below this, there is a small circular icon with a person symbol. The main area of the screen displays a table with several rows of data. Each row contains a 'STUDENT CODE' field, a 'NAME' field, and a 'Relationship' field. The 'STUDENT CODE' field for the first row contains the value '123456789'. A dropdown menu is currently open over the 'Relationship' field of the first row. The menu has a light gray background and lists several options: 'Parent', 'Guardian', 'Relative', 'Spouse', 'Child', 'Other', and 'None'. The 'Parent' option is highlighted with a blue selection bar. At the bottom left of the application window, there is a small circular icon with a gear symbol, likely a settings or refresh button.
