Manage your two accounts – both Checking and Savings. Transfer credits between accounts. Redeem reward credits.

- 3 Savings Account: Earn 3% interest weekly. Transfer credits to your checking account to

: Keep track of

credits you've transferred to your savings account and the interest you've earned.

- 3 Transfer Credits: Transfer credits to your savings account to earn interest. Transfer credits to your checking account to buy rewards.

## Charities

Charities are created and maintained by LE. A student may purchase a charity reward. A charity certificate is then created and may be accessed via the **Charities** section of the student site. At the end of the year, LE donates money to the charities in honor of those who donated their credits to them.

## Play

Participate in auctions, challenge friends to a Food Fight or sharpen your math

- 3 Food Fight: Answer trivia questions to throw food at your opponent. Next time they log in, they'll get hit. Top players display on the leaderboard.
- 3 Number Munchers: Use arrow keys to move around the board and press the space geyspress
